4) COVID-19 has caused significant disturbance and slow down of the Economic activities. Our operations are also affected due to Lockdowns both at National and Local levels. Supply chain is also impacted. Operations at Factory and Office continue though with limited attendance. Company's products are prescription oriented and hence non availability of consultant doctors in their clinics has affected the top line of the Company to the tune of 20-25% during the first quarter of FY 20-21. While the future impact of COVID-19 is difficult to project, Company's status as a going concern remains/ and expected to remain unaffected due to various cost cutting measures adopted by the Company to offset the impact of the reduction in the top line.

2 The Statutory Auditors have carried out limited review of the Un-audited financial results of the Company for the quarter ended 30th June,2020

4 As per the requirements of Ind AS no disclosure is required as the Company is operating in only one segment i.e Textiles
5 Previous years figures have been re-grouped and re-classified wherever necessary to make them comparable.
6 The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Our operations were completely at stand still since Lockdown started and continued till 31st May,2020. We do not foresee any major sales transactions and will take a quarter more to stabilize.

6 The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Our operations were completely at stand still since Lockdown started and continued till 31st May,2020. We do not foresee any major sales transactions and will take a quarter more to stabilize.
