4 Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. The application of Ind AS 115 has impacted the Company's accounting for multimodal transport operations relating to export freight & origin activities, Container freight station operations relating to import handling and transport operations. The Company has applied the modified retrospective approach and recognised the retained earnings as at April 1, 2018 by Rs. 2,014 lakhs, net of tax effect. The application of Ind AS 115 did not have any material impact on measurement of revenue, cost and retained items in the financial results of the current quarter and for the six months period ended September 30, 2018, due to the offsetting impact at the quarter/period end.

During the quarter ended March 31, 2018, management performed a strategic review of all its businesses, based on which it concluded that the Group has no immediate plan to pursue business in its two wholly owned subsidiaries, Transindia Logistic Park Private Limited (TLPPL) and South Asia Terminals Private Limited (SATPL). These companies have transferred their Container Freight Station / Inland Container Depot business to the Company in January 2017 and September 2017, respectively. Accordingly, in the year ended March 31, 2018, the Company recorded a provision for impairment for its investment in TLPPL of Rs 4,847 lakhs and loan given to SATPL of Rs 836 lakhs.

6 Exceptional items for the year ended March 31, 2018 represents write off of Goodwill on liquidation of a subsidiary of the Group.
