Notes :

1 Effective April 1, 2019, the Group has adopted Ind AS 116 – Leases using the modified retrospective approach. The adoption of the standard did not have any material impact on these financial results.
2 Exceptional items comprise write back of contingent consideration of ₹ 177.48 crore being no longer payable and an additional loss allowances of ₹ 116.02 crore on a loan, pursuant to debt resolution agreement entered into with the party on January 2, 2020.
3 The Company and certain subsidiaries have, basis the impact assessment of the option given under section 115BAA of the Income Tax Act, 1961 to pay income tax at 22% plus applicable surcharge and cess subject to certain conditions, decided to continue with the existing tax structure until utilization of their respective accumulated minimum alternative tax (MAT) credit. Accordingly, deferred tax liabilities are re-measured at the tax rates that are expected to apply to the period when such liabilities will be settled, resulting in write back of ₹ 276.81 crore. A corresponding tax adjustment in future tariff of ₹ 111.63 crore (net) is recognised in respect of certain subsidiaries.
4 In respect of regulated businesses where tariff is determined on cost plus return on equity and the income tax is a pass through, deferred tax recoverable from/ adjustable against future tariff, when and to the extent such deferred tax becomes current tax in future periods, is presented separately for all periods, and is not offset against deferred tax in accordance with guidance given by Expert Advisory Committee of the Institute of Chartered Accountants of India in its recent opinion on a similar matter. Until previous year, it was presented under 'Tax Expense' in the financial results and adjusted in deferred tax balance in the Statement of assets and liabilities.
5 The Group has only one reportable operating segment i.e. 'Power Generation'.
6 In respect of the hydro power plants of the Group, due to seasonal nature, the financial results may not be comparable with the previous / subsequent quarters and periods.
7 The consolidated results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 4, 2020. The Statutory Auditors of the Company have carried out a Limited Review of the results for the quarter and nine months ended December 31, 2019.
